## Send love MMS to all networks

This year, invite your loved one to kiss under the blossoming tree with an original MMS. In our Vodafone Park, we have a number of great MMS templates you can either directly send or take inspiration from. In addition, you will easily be able to make your own original MMS in the **MMS Editor**, by using colour background, images and your own text. This May, the love MMS and SMS messages are simply on. Find out more at [www.vodafonepark.cz](http://www.vodafonepark.cz).

The company is entered into commercial register by the Municipal Court of Prague, file no. B.6064.
